i. *Members of Educational or Private Voluntary Organizations*

- (1) It is U.S. Government policy that no federal agency shall provide any covert financial assistance or support, direct or indirect, to any of the nation's educational or private voluntary organizations. This policy applies to all foreign as well as domestic activities of such organizations. In compliance with the above proscription, DDO policy requires the most careful scrutiny of all cases involving operational contact with U.S. educational or private voluntary organizations including trade and professional organizations. The operational use of any employee, staff member or official of such an organization requires prior approval by the Deputy Director for Operations. The Deputy Director for Operations will determine whether or not to seek extra-Agency approval for the conduct of such operations.
